“ I've been scrolling and reading these memories. Everyone referring to her as Aunt Georgina. I loved her so much. She was such a good friend to my mother, Jewel Wilson. She always had something cooking on the stove, canning, growing vegetables to share. Uncle Harry was so sweet. My mother would say, "come on Georgina...we couldn't all marry Harry." Harry was first cousin to my father Thomas Wilson. He built a swimming hole behind their house with sand on the bottom instead of cow manure like our lake. Mike would look after us swimming. It was a perfect second act with Mr. Charles. He was one of the kindest men around. Harriet and Teresa rode horses together. My mind is flooded with nostalgia. She made the world a sunny place.

Hi, Jewel was so sweet. I always remember her being at Aunt Geo's getting her hair done and talking.

“ I remember as a young teen idolizing Uncle Harry and Aunt Georgina. They seemed perfectly matched and it didn't matter whether they lived in a mansion or a shack, they were in love. I wanted to be just like them when I grew up.

“ *As I sit here trying to voice my feelings concerning Georgina, the words just are not there. One of the first memories I have of her was as her braiding my hair when I was about five. I don't guess there's another relative that I have been as close to as I have Georgina over the years. So I don't know what I can do, I don't know what I can say, but one thing is for sure I can pray and you and all the family will be in my prayers.*

“ *Our family has lost a beautiful lady - Georgina was first and foremost a fine Christian lady and she spent her 96 years trying her best to make others happy. She was always a joy to be around. While she was officially my cousin, because of the difference in age she felt like an Aunt. Those who loved her will surely miss her presence in this world and I can almost hear the celebration in Heaven at her homecoming. Say hello to everyone for me Georgina!*
