“Gerald Felix Robertson was a wonderful father that was supportive and loving. He was a man that loved to help people learn. He taught me many things through the years. I cannot express the wealth of knowledge I have gained by this incredible man. He has always wanted to teach and help people that were seeking knowledge.

Many family members and Delta employees have approached me since the passing of my father to tell me how much my father influenced their lives and it is heartwarming to hear how their lives are better having known this incredible man.

My dad loved the airline industry and had many stories to tell, but I think the story he liked the most was of how he met my mother.

God bless his soul and thank you all for the kind words and being there.

“ My deepest sympathy to Marie and family. Gerald, Marie and I were "pew mates" at PTC3 every Sunday until COVID disrupted our lives. They were a bright spot in my week. As you wander in this forest of sorrow, remember what Kubler-Ross said: "You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but you will never be the same." As you meet Gerald in memory the time will be sweeter and the laughter more joyful. I'm here if when/if you need me. Love and prayers - Vicki

“ *A smiling friend is the way we will always remember Gerald -- just like the picture we see on this wall ! He was genuinely caring and sparked a room with his cheerful smile and comments! He will be tremendously missed ! His family was so blessed to have him all the years they enjoyed - and he was blessed with them as a beautiful and loving family !
May God's peace surround all of you as you honor the life of your loved one and tuck away all these good memories in a special corner of your heart to be your comfort in the days to come!!!
Love,
