“ *Dear sweet Rebecca and family,*

We often think of death as the end, but really it is just a continuation of the journey God has designed for each of us. Jerry lived the life God had planned for him here on earth and he did it obediently. Now the Great Physician has called him home where he has been made whole once again. I know there will be sadness, but let us rejoice in a life well lived. This world is a better place because Jerry Thompson came our way.

My love, God's blessings,

Margaret
