“ I will never forget when we first met. I was so nervous about meeting you for the first time. I wanted you to like me because i loved Robbie so much. We had so much in common, we both had on purple and looked like mother in daughter. We laughed the whole night. We both loved the same things and been like best friends since that day. I love you from the moon and back just like a mother because you always there for me. Anything i ever needed, you always knew before I even told you. We will always be connected and I know you will always live on in my heart. I know we will see each other again and then there will be no tears and no more goodbyes in heaven.

*thanks for all the wonderful memories and fore my love!
Your daughter in law, best friend and sister in Christ*

“ Geri was a very very dear friend of mine. Since childhood we have always been close. Although we lived far apart we still talked. She was such a beautiful angel. She has always been there for me. I am going to truly miss my friend, but I know she is with me in spirit. I will pray for the family. Keep looking up God will see you thru.

"The unfailing love of the LORD never ends!

By his mercies we have been kept from complete destruction.

Great is his faithfulness; his mercies begin afresh each day. I

say to myself, 'The LORD is my inheritance; therefore, I will

hope in him!'

The LORD is wonderfully good to those who wait for him and

seek him. So it is good to wait quietly for salvation from the

LORD.

For the Lord does not abandon anyone forever. Though he

brings grief, he also shows compassion according to the

greatness of his unfailing love."

“ *I want to express how loving and beautiful Geri was, and still is, in the Spirit of Christ. She always opened her home to me in the few times that I visited her and Robert. Her kind words were always welcomed and appreciated, and I am privileged to be related to such a jewel. Thank you for your love.*

I love you, Jennifer Butler

“ *Thank you for being such an awesome mother, raising me in the church, teaching me God's word. Thanks for caring and loving me unconditionally, even when I did bad things. Thanks for having patience with me. Thanks for always having my back. Thanks for making me smile when I felt sad. Everyday with you was precious. I will never forget you or the things that you taught me. Have fun with Jesus, and when my work here is done, I will see you again. I love you mom with all my heart.*

“ *Dearest & Best Girlfriend Geri (Affectionately called): From the day I moved in upstairs from Geri & Mr. Robert, we were connected from heart to heart. To further the bond we had she fell deeply in love w/ my boyz Shadrach & Meshech (Silky Yorkie Terriers) & made sure she was to be their mom whether I was @ home, work, or church. I met her as a stranger, took her as a friend & know we'll meet in Heaven where deep friendships never end.*

If I had a single penny for every time I thought of her, I could buy the Mona Lisa & the Eifel Tower too, but, either I was born too soon, or she was born too late, we knew our lives were governed by that fecal hand of fate!

I could go on & on about the deep abiding love our sisterhood endured, but, when she told me good bye during the last conversation we shared, I knew she was ready to depart from all the struggle of the battle she still fought & won.

So, I must say to her Beloved husband Mr. Robert, my heart & hat off to you for being a living epistle of what a true husband & father you have been so that your legacy will continue to the sons who share in this time of celebrating a wonderful Godly woman with me! To the rest of the family all of whom she loved & cherished, you've had a gracious role model of a Godly woman to be proud of. To her grandchildren who she shared so many special moments with, she proudly took on that role as oft as possible & I have many beautiful pics to recall those special occasions she so cherished. Thanks to all of you as well!

Now that she's strutting down the street paved with gold & wearing that golden crown, I have only a 21 gun salute for her & best wishes til we meet again in that sweet by & by, so I have nothing but joy way down in my soul for the best friend a gal could ever have!

Very Best Regards,

Jacqueline A. Smith
