“ Stan, Judy, Cathy and Cindy,  
I am so sad to hear of the passing of your Mom. I loved her dearly. My days of fun times with Mrs. Gladys and Mr. Harley go wayyyyyy back to my young days at K Mart warehouse where they were both security guards. Later years your Mom hired me to come out and help her in the yard and with some house cleaning. She laughed and said she dearly hated housework and we got a big chuckle out of that because WHO LOVES HOUSEWORK. She was always laughing about something and I will always remember that smile of hers. What a sweet lady and I know she and your Dad are celebrating her new wings...of course we know the pilot will be showing her how to use them...WINK...WINK. My deepest sympathies for you all.
