“ Chris & Your Family:

Your Mom had such a lasting impression on me. She was such a sweet, witty, hard working lady who "told it like it was, and she loved you dearly. That was obvious before I even met you, but I also remember you during your days at BAPCO. May God provide you the comfort & peace you need during this difficult time. I know you have some very special memories of this special lady in your life, and I trust that your good memories of your sweet Mama will help get you through these sad times. God bless you and your family!

“ Bob, Chris, Sandra & Wesley -

My heart goes out to you during this difficult time. I loved Gladys so much, she was like a second mother to me from the first day I met her 30 years ago. She made coming to work a lot of fun. I enjoyed hearing her stories of the "good old days" with Southern Bell. I know now what she was talking about - working with her were my "good old days" with the company. She was a special woman who loved her family dearly and cared about everyone she knew. My thoughts and prayers are with you, please let me know if there is anything I can do for you. God Bless You all.

“ Chris,

I remember your sweet mother when we were all working at Southern Bell...as it was called back then. I remember her coming over to see you when you were in NYPS with Elaine Street and I was in the conversion group with Richard Feddern and Bonnie Ennis coverting Adtrac I to Adtrac II. Those were the days! I remember thinking she was a nice lady and then finding out that she was your mother. I then could see why you were and still are such an kind, funny person. I know you will miss her. Just know that she will be missed and that you and Sandra are in my thoughts and prayers.
