“ *Glenda was the most loving and caring woman with a huge sense of humor. We shared intimate moments together of laughter and fellowship which I will always cherish. She was an ear for me when I needed it the most and she was most generous to me with sharing her lunch with me when I didn't know where I would find my next meal. She always talked about her deceased husband, loving daughter, granddaughter and son in law. I am most saddened that we lost touch and that I had to google her name to find out that she has passed away. I was looking forward to more laughter and fellowship with "Little G" as we nicknamed her on the job. I know she is laughing and smiling in heaven with her dear mother and husband. May you rest in peace my dear friend and may you keep that beautiful loving spirit for all eternity. I will miss you but the memories I shared with you are for a lifetime. My deepest condolences to your loving family~~ Regina*

“ *I met her when I was about 12 years old. I always thought she was so beautiful. Belinda And I cheered together and we all spent many cold nights drinking hot chocolate. We were inseparable, we graduated together. I have such fun memories of a particular vacation. Glenda yelled Roy why are all these cars blowing their horn at you, are you driving crazy? Roy told her have you considered what is riding in the back seat? Belinda and I got tired of sitting. Do we were on our knees butt to the back window. So funny we didn't think a thing in the world. I sure will miss Glenda's smile the most. What a reunion in heaven she is having with Edna and Roy.*

*If you are Belinda's friend from up North, Glenda always talked about you during out lunchbreak conversations. She loved you like a child of her own. She shared fond memories she had with you and Belinda. What a beautiful soul Glenda is and will always be :-)*
