“ *The Cassell family has been part of my life for nearly as far back as I can remember: first Trae, then Travis, and then the rest of the family. These are sad days indeed, but I'm privileged to have known Butch and to be a small part of such a fine, extended family. My love goes out to you all!*

“ I met Butch when I moved across the street from him and Janice, Our children were all young, this was in Morrow Ga. He was a wonderful husband and father and such a friendly and outgoing neighbor. You could see the love between he and Janice. I know he has been sick for a long time now, he is now healed. I pray for you Janice and the family. Butch will always be by your side Janice watching over you as always.

“ I knew Butch from school in Hapeville, GA seems so long ago. Thank you Butch for your contributions to our freedoms by serving in the military. Congratulations for choosing a sweet loving partner to share so much of your life with. You shed your physical body now and let your spirit free to soar on. It's the physical part that your family and friends will miss even tho they have your memories. For now, your friend , Kathy Marks Renfroe 🥺

“ It was my great fortune to have an opportunity to get to know Butch as a result of playing golf with him at our Senior Men's Group in Fayette County. He was always happy and upbeat. He was a pretty darn good golfer as well. I know he had great love for his family and his friends. Rest In Peace Butch. You will be greatly missed. - Jerry Waller
