“ *I will always remember Grady from my days at Friendship Baptist Church. He was not an attendee there but was always generous to me, as Pastor. He and Charles Miller were always teasing me, as I would not go hunting and stay all day with them. One of my great memories of Grady was watching him eat hamburgers with Charlie. No one person could "bite the burger" as well as those two. May the peace and comfort be to this family. "Great is our God", as Grady would say.*

“ I have no doubt that there was a crowd waiting to meet Mr. Grady as he walked through Heaven's gates. He and Mrs. Virginia have a lot of catching up to do and we can only hope that those Thompson fellas don't get him into any mischief. Mr. Grady was one of a kind, an icon in Palmetto, as Pat Norton said. I miss his smile, waves and the quick talks we would have when he caught me outside as he rode by our house. He left his special mark on everyone he knew; and a lifetime of sweet memories. My thoughts and prayers are with Donald, David and their families.
Much love,

Who couldn't love Grady Bowen? He became a good friend to my family as he worked to repair electrical problems incurred at Hudson Properties. He always had a smile and an easy going manner, and was a person that when you met him you immediately felt that you had known him forever. He was everybody's friend. I know my parents, Leon and Annie Ruth Hudson, are rejoicing at seeing him again.
