

Gregory "Greg" John Etue

July 10, 1958 - August 25, 2021

Gregory "Greg" John Etue passed away suddenly on August 25, 2021. He was born on July 10, 1958 and grew up in Michigan. He was the son of George and Joanne Etue. Greg was married to his beloved Deborah and the couple just celebrated their 21st anniversary. He was the proud daddy to his special companion, Mocha.

Greg was a member of the First Christian Church of Tyrone and was a salesman for most of his life. As a good friend and colleague said, "Greg is probably already selling in the sky." Greg was good at what he did because he was honest, hardworking and dependable. Greg excelled when challenged by a problem and took good care of his clients. He took pride in knowing the intricacies of whatever he was selling.

Greg loved to travel and play golf in his spare time and was very skilled at doing woodworking projects. He could figure out how to build just about everything. He was always meticulous with details. He didn't measure twice and cut once, but measured a dozen times from ten different angles.

One of Greg's best qualities was his outgoing personality. Greg never met a stranger. He always loved meeting new people and had a heart for helping those in need. Those who knew Greg were blessed by him and he will be deeply missed.

A private graveside service with family and close friends will be held, Friday, September 3, 2021 at 11 a.m. at the College Park Cemetery with Gary Boyd officiating. In lieu of flowers, Deborah asks that donations be made to Southwest Christian Care, www.swchristiancare.org or St. Nick's Closet, www.stnickscloset.com.

“ Greg and I were tennis partners back in the eighties and became great friends. We both sold trucks and enjoyed many great experiences together and with our large group of friends. Always upbeat, happy and energetic, he made everyone around him feel special.
He dearly loved his sweet Deborah, and bragged about her always. We will miss his humor, he's energy, and his love of life.
Your friend, David Angel.

“ *Greg was someone who valued his customers, colleagues and friends. That is why so many colleagues and customers became his friends. I consider myself fortunate to have been all three. He loved his work; and it was obvious he loved Deborah by the way he talked about her. He is missed and remembered!*
