I've known Greg for over 25 years...We worked together for 10 of those years and were partners in the automobile business. We spent our entire years of friendship laughing and enjoying life. My family and I shared Thanksgiving dinner together with Greg and he and I shared many secrets over the years.....I REALLY miss this man....RIP My true friend.

“ I met Greg a couple years back at the bowling alley. He was a real friend to me and taught me some good quality lessons about several things that I hold dear to my heart. I loved seeing his funeral on here, I am very grateful to know he was ready to go home, I just found out today that he passed and I was knotted up with different emotions but knowing that and hearing that beautiful service on his behalf has been a blessing. I will miss you dearly Greg.

“ I have known Greg for over 10 years, as an almost neighbor and customer. He was always very kind to us, and the most reliable person who ever did work around our home. My condolences to his family and friends, he will be missed.

“ Greg, you will be missed. We have known Greg for over 11 years! He was a genuine and caring person. My husband has worked for him for many years. He was always asking about the well being of the kids and always offering his support in so many ways. You will forever be in our hearts, Greg. You will be truly missed. Rest in peace my friend!

“ Greg was a nice neighbor and I always enjoyed talking to him, mostly when he stopped to talk while driving in the neighborhood. As a business man, I could always depend on him to take care of fallen trees swiftly when needed. One fell and hit my house at 5:00AM one morning blocking my driveway - he took care of it by 2:00PM (same day). But most of all, I will miss great friendly neighbor and our conversations. I met Greg when he came to trim some tree limbs for me and many more after that. He was such a wonderful caring man and he was so good to me and reduced the price on the work he did for me. He had such a caring heart for people. My daughter and I were shocked when we found out that he had passed. Greg you will be missed, my friend. I am so glad I could watch his funeral and know that he was such a good Christian man.

Well, Greg it's been a year now, still can't believe your gone. I've known you for nearly 30 years, worked with you in the auto business, then Little Bear for the last 10 years, I would talk to you on the phone every single day, sometimes 5-6 times, and see you 5-7 days a week for 10 years. You left a hole in my life, wish we could find your will. Stan Tucker

Stan- I hope time has eased your pain some. At least we know that Greg is with the Lord. I miss him and was blessed to be touched by his life..
