“ *Dear Seierstad cousins: Our love and sympathy to all of you on the passing of your father and grandfather, my great-uncle and my sons' great-great uncle. Now this generation has left the earthly scene, and we owe much to that strong and persevering generation. May we who are left behind personally demonstrate the good values that have been lived out ahead of us in the lives and lineage of people like your father and my grandmother. With our love, Bryan, Anna, Nathan (& Casssie), Russell and Clifford Johnson*
