“ I was so sad to hear of Harold's passing. He was one of my best friends at Delta. We worked together for many years. I didn't know that his wife had preceded him in death. Due to health reasons we were not able to attend his funeral. May God comfort you in your loss.

“ I want to express my sincere sympathy to the family of Harold woody. He and my aunt June had many great years together and I will always remember him very fondly. Unable to get to services due to family obligations, but the family will be in our thoughts and prayers.

“ Mr. Woody was an awesome neighbor and friend who we loved. He inspired us with the care of Mrs. Woody and how he lived his life. We will miss him for now but we are sure we will see him at Heavens gates.

“ I am very sorry for your loss. I will continue to pray for your family. The death of a loved one is not what God intended for us to have to experience and God can help you in this time. (1 Corinthians 15:26)

“ Farewell to one of the sweetest men I've ever known. Woody and June were two of the most fortunate people on earth to have known a love so close and so special that only death could separate them; but no more. They are together once again with their daughter, Barbara June, and all their siblings and parents....what a wonderful day of celebration. Donna and Phil, I know our Lord, along with the love and prayers of your family and friends, will help ease the pain. We rejoice now for Woody and June while we mourn our loss. It is difficult to know the difference between tears of joy or sorry, but as we shed the tears, remember in your hearts that we will all be together again. We love you all very much!
