“ Harry will be missed greatly. I think about all the great times our families had together during the holidays and trips to Florida. He was an awesome uncle. He was always happy and light hearted. I always enjoyed being around him. He and my Dad are probably in heaven right now fishing again while looking down on all of us. Something they loved to do. Praying for Mary, Lynn, and Leigh and their families. Love you very much, Paige and Kevin

“ Sara and Mary, I just want you and all the family to know that you are in my thoughts and prayers. Haven't seen Harry(Pete) in some time, but there is truly a void now. I always enjoyed our conversations, especially. about family. And Gene always considered Harry to be one of his best friends. He always talked about all the Stonewall-Tell fun times.

“ Mary, Lynn, Leigh and Sarah,
Where do I begin to express my love for Harry (Pete), who has been a part of my life for as long as I can remember. I am deeply grateful to have had Pete in my life. He was a kind, fair, honest and loving man; who always made me feel like I was part of his family. I will miss him as anyone else that had the pleasure of knowing this wonderful man. May the memories forever live in your hearts, where he will always be.
Love and affection,
Cheney
