“ Harry Parker was indeed a true friend. From the time of the passing of her husband Charles, Harry looked after the widow Jackie Windham Beck for many years. Harry Parker became a fast friend of Jackie's new husband many years later. In fact, it was a highlight of our friendship when Harry proudly escorted Jackie down the aisle at our wedding while on a sea cruise along the Alaska Inside Passage. We regularly attended church with Harry and Charlotte and enjoyed numerous cruises with them. These past few years we have missed being with Harry or just simply waving as he drove by our home each and every morning to buy a fresh cup of coffee for his bride Charlotte, the love of his life. We cry tears of joy knowing that Harry is free from his earthly confines and today we remain confident that he is preparing a garden plot in Heaven where he can tend to raising a large crop of Better Boy "maters," as he called them. With all of our love and affection, --Larry and Jackie (Beck) Peterson

“ *Mr. Harry has been a long time neighbor & friend and a member of Fife Community. He came once to tell my that my husband had been in an accident & offered to take me to him. Ms. Charlotte & Aunt Volona Thomas stayed with our two small children while I went with Mr. Harry. He was always so kind. He always gave us a watermelon that he had gotten on a trip to So. Ga. around July 4. He would come back with a truck load & as far as I know, he gave all of them away. He was a good Christian man. May he rest in peace. Billy & Venetta Thomas*
