“ *Getting the call today from Brenda about Harry's passing floored Angie and I. Harry was always so happy, vibrant, strong, and such a hard working man. I watched him many a day operate a piece of heavy construction machinery all day in order to get a job done. He eventually was able to delegate those tasks to others but believe me, when necessary, he was the one on that backhoe. Whatever it took to get the job done he was there to do it. He adored Brenda and his girls and we enjoyed watching the family grow. A family truly surrounded by a proud husband and father. We are proud and blessed to have called this wonderful man our friend. We wish we could make it to the funeral but we have a commitment we have to honor. Please know the family will be in our thoughts and prayers. Brenda, Lorie and Julie our door is always open in Gulf Shores, AL (our new home) if you would like to get away and share some great stories about Harry!*

*Much Love,

“ Brenda, Lori and Julie, I am so saddened by Harry's death it is hard d to put into words. I still remember the night he married my sister as they came by the campsite we were in on their way for a short honeymoon. I don't remember where they were going but I do remember Daddy saying Harry most likely would just as soon have stayed at the campsite that night. I love that memory of that nite. Love you all
