“ Her life was truly a gift from God. To know her was to love her. I never knew her to display anything but love, kindness, and gentleness throughout the nearly 50 years I knew her. She was a wife, mother, and Nannie that one could only hope to be just a little like her...knowing that if you were...your life and all those around you would be better because of it. I know that I am a better person today because God so graciously allowed her to be a part of my life.

*The Bible says that eye has not seen, ear has not heard, that it hasn't even entered into the heart of man what God has prepared for them that love Him...Great is Hattie Lou Corbett's reward and heaven sounds sweeter today because she is there. I am so grateful that I know I will see her again. I love you Nannie.*

“ Shane, Jackie and Buck,

*How blessed Miss Hattie was to have you all in her lives this past year and a half that she lived with you all. It hurts to lose someone you love but you showed her how much you cared for her everyday and you expressed your caring while she was able to know that she was special to you. I know that everything you did - you did because you loved her.*

*All of your lives were made richer because of this bond.*

*God bless you all.*
