“ I so enjoyed Hazel's life and company. I have known her since my elementary years because I was in class with Janet. We continued our education together through high school at CHS. Hazel was my substitute and I might say one of my favorites, next to my sweet mama. Mama went to be with Jesus and my daddy in 2013 and was probably preparing a place for her friend. Even though I've known Hazel the majority of my life my fondest memories are most recent. I started going over a couple of days a week in Oct of 2016 to help her out with daily activities. We had a great time talking about when I grew up and she told me things about her and mama that I never knew. We laughed and cut up and simply enjoyed each others company. She talked with great joy about her children, grandchildren and her great grandbaby, Ava. I felt like she was a surrogate mother to me and I will miss her tremendously. I know she is now with Jesus, her beloved Ed and my parents. I beat her and mama are snapping peas together and talking about all the kids they taught at CHS. I will miss you my sweet angel, Hazel H. Dodson.

“ I was saddened to hear of Miss Hazel's passing. She was such a genuinely sweet lady. She always treated me as if I were one of her own kids. Though I know earth will mourn her passing, I am sure Heaven's Angels celebrated her arrival... love and prayers to the family...

“ Hazel was one of the most influential people I have had the good fortune to work with over the years. She had a great spirit and warm heart and was a great example for all of her students over the years. I once had a young man who ended up in my office and I asked him who his favorite teacher might be? His quick response was Mrs.Dodson!

Janet, Phil, and family I am sorry for your loss and know that your loving Mother was loved by everyone she touched during her life.

“ Our condolences to the family for your loss. Mrs. Dodson was a client here at the clinic for many years, and loved her dogs and cats. We have many fond memories of her, especially with tiny Sissy, and Vera. They loved their "mama" Hazel, and were some of the most pampered dogs we've ever seen. We'll miss you, Mrs. Dodson.

“ It is with a heavy heart that I must say good-
bye to Hazel, one of my oldest and dearest
friends. She was just one of those people that
I always felt comfortable around and even
though in later years there were many months
that separated our chats, we always seemed to pick up where we
left off as if it were yesterday. Her acts of kindness to everyone she
met whether two-legged or four-legged would be too numerous to
count. I remember when Hazel drove for months to feed a stray dog
who was too skittish to venture away from an old abandoned
service station. Her last act of kindness to me was hand-delivering a
sack of her delicious home-grown tomatoes. She is now reunited
with Ed as her heavenly Father welcomes her home with ‘Well done
my good and faithful servant’.

“ I worked for Pat Green for 15 years and in the beginning, I only knew Ed, Janet and Phil. When Ed passed, I got to know Hazel really well. In fact, she was more than just a tax client....we talked on the phone or she came by the office 2 or 3 times a week, never really talking business. I would see her at the grocery store or CVS and she was always so nice. I really enjoyed getting to know her, as did I enjoy Ed and the rest of the family. Janet and Phil, my thoughts and prayers are with you. Hazel and Ed are finally together again!

“ Hazel Dodson is one of my many fond memories of Fairburn. I knew her as a colleague at Campbell and Creekside; I knew as the Mother of Janet and Phil; I knew as the Wife of Ed; and I knew as the benefactor of all animals be they furry or human. She was a kind, loving, generous woman. She leaves big shoes to fill. If Janet and Phil are giving away any assets----I would like to have one bottle from her fountain of youth. She will be missed and she will be very fondly remember. I am so sorry for the family's loss but what a gain GOD received!

“ Miss Hazel was definitely one of a kind and will be so missed. I will miss helping her take care of her pets and our long talks in the parking lot at the vet...in the bank...in the post office...or on the phone about our love of animals. We could talk about anything...she always had words of wisdom to share. We started our journey together helping animals 22 years ago and I know all the animals she loved along the way met her at gate. Prayers for the family.

“ I am so saddened by Hazel's passing. She became a dear friend when she was my landlord several years ago. I will truly miss talking to her and sitting in our usually spot on the back row at Mt. Vernon. I will also miss being her "meals on wheels" from time to time. She was always so appreciative. Prayers to the family at this time. I will miss Hazel.
