“ I just learned of Helen's passing from the Spartan alumni magazine. My condolences to Kristin and Todd. Helen was a colleague of mine at Kellogg Community College in Battle Creek, Michigan. She was a great advocate for students and teachers as well.

“ To Helen's Family -
When Helen moved into Harper Valley at Christian City I got to know her, since I was president of the neighborhood association (referred to as "Lord Mayor") I learned that she had had a distinguished medical career and moved here to be near members of her family. It became apparent she needed more supervised care due to her memory issues; which she received until she passed away. Just wanted you to know that she was received and appreciated while here and received Christian love and concern. May you be comforted that she is at rest. Blessings to each of you as you grieve her passing.
