“ Dear Mr. Warren and family,
Mrs. Warren was and always will be one of my favorite people. I learned so much from both of you at East Point Christian Church. You both supported and meant so much to my parents(David and Geneva Woods). I know many of us "kids" who sat in church always dreaded when Mrs. Warren left the choir during church because we knew" someone would be told how to respect and worship" in church. My parent's always had fond remembrances of the Fidelis Class. Saying prayers for you all.

“ Deepest sympathy to Helen's family. She was truly a Proverbs 31 Woman. Her children and her friends rise up and call her blessed.

“ *Mr. Warren,
I am so sorry to hear of your loss. My gratitude for you and your wife is beyond what I can express here. While we miss our wives, I am sure they do not desire to return to us but wait for us to come to where they are. My prayers are with you and your family.*

“ *It is said that generations will mimick the traditions of their parents and this has held true in our case. Ralph and Helen were good "church friends" with my parents and we are good "church friends" Mark & Rita. Thank you Helen for the influences you've had on my life and for allowing me to be best friends with Mark - he's like a younger brother to me! I love your family with all my heart. I hope y'all had a Fidelis Class reunion in Heaven!!*

“ *Ralph: Our hearts are heavy with grief over the loss of Helen - but we know she's with her Lord Savior and SINGING in that heavenly choir! In that, we all can take comfort. May God give you the peace and strength you need in the days to come.*

“*Mr. Warren, I was certainly saddened by the news of your wife's passing. However it's a blessing to know she's enjoying what we can only read about in the Scriptures. No doubt she is catching up with her Lord, her family and friends. Please know you, Mark and the rest of the family will be in my prayers. I wish I could be there to shake your hand in person, but my current responsibilities will not permit me to travel. Down the road if you decide to travel and find yourself in North Alabama, I would enjoy the opportunity to spend some time with you. When I've been over to Atlanta for things, it's always been a joy to see Mark, Rita and their children.*

Take care and when you have a moment would love to hear back from you.

In Christ,
