“ I first met Mrs. Williams in 1971, as I visited her daughter (my future wife). In 1978 I became part of the family. Over the years she became a cherished friend whom I truly loved like my own mother. Nana, you will always be loved and missed beyond words. Love you; rest in heavenly peace now.

My condolences to the entire family. I knew her as “Aunt Helen” , one of my Aunt Vivian’s dearest friends. My memory of her is the times when I was in Philly for the summer and she would come down from New York to visit. I looked forward to listening to them reminisce on their younger days, listen to music from their era and most of all stare in awe of how classy and sharp they both were!! “Phenomenal Women”!! I will always cherish these memories and be thankful for the lessons learned. My prayers are with the family during this difficult time!! God Bless!!
