“ Ms. Helen was such a beautiful person. She loved our children as if they were her own always sending them over sweets and snacks whenever she could. My children would love going to her house just to play in the yard and she would always have them pick flowers from her yard to bring back home which they were always so excited about. I know for a fact she loved and was so proud of her children and grandchildren as she always spoke about them for hours at a time whenever we would have our conversations. She always had soooo much energy more than the average young person if I must say so. She was constantly moving and on the go from working in her yard daily to driving around downtown and to church and I truly admired her for that. She didn't let her age stop her from living life to the fullest. You will definitely be missed. Sending love, prayers and hugs to all of her family and friends.

“ Helen was my mother's cousin. Her mother was french. She married with an American man just after the first world war. She came in France with her niece Sharon at home several years ago. It was a wonderful moment for my mom and I . So sad she died but I'm glad to often have many news of family . Sincerely yours family. I never forget her. Thanks Sheryl to have given many news since several months. 🥺💕
