“ Julie, We were so sorry to hear about your Dad. He fought a long hard battle. It was always a pleasure to talk with him at games. He was a very smart man when it came to sports. I know he will be missed. Most families aren't as blessed to have such a wonderful man there to support them. He was for sure your biggest fan. God bless and I know he will always be looking down to support those boys of yours. Take Care,

“ To the family of my dear friend Gene Thompson. It was an honor and a privilege to have known and been a friend of a man so devoted to his family. He was a big inspiration to the many kids he coached and set examples for them that they are still using to this day. You are all in my thoughts and prayers. I know what a tremendous loss this has been for all of you

“ Linda & Thompson family,
We were so sorry to hear about Gene. Without a doubt he was one
of our favorite people. We will not be able to attend the service
because our oldest Granddaughter is to be married that day. We will
have you in our prayers.

“ Words can't say how I feel over the death of my brother-in-law
Gene. We will all miss him so much. I will miss hearing him say,
when I ask him how he feels, "I'm just peachy". Rest in peace till we
meet again at Jesus' feet.
