*Don was a dear friend of mine. I have known him for 25 years or more. He was a mechanic by trade, but never shyed away from most any task. He was always on hand to help on church projects. One time Don went to Atlanta to get an altar, and he tied it on top of his car and delivered it to the church that later became THE WAY OF HOLINESS, in Union city. Everybody that really knew Don, knows he would do anything he could for anybody. I never knew him to take any money for his services. He was dearly loved and truly missed. May Jesus comfort his beloved wife, children, loved ones and friends.*

“ I have known Don for well over 25 years. He was loved and admired by all who were fortunate to know him. He was a willing worker and ready to help in any way he could. He has helped work on churches since I first met him. He was a machanic by trade, but really a "jack of all trades", and wouldnt shrink at tackling new ideas. Don was loved by all, and I certainly was no exception. Every time I talked to him, I never failed to tell him "I love you". He was dearly loved and will be dearly missed. Lifting the friends, Loved ones, and family up in prayer.
