“ I grew up living next door to Jim and Hilda on Derrick Road. We all had a love for horses and took rides together often. I have good memories of spending fun times with Hilda. We also shared a love for dogs. Hilda had a sweet and caring spirit. I know she will be missed. I extend my deepest sympathy to her family during this difficult time.

“ Mimi was always so sassy! I'm one of her granddaughters and me and my best friend Taylor went to visit her in the hospital the other day and after I got her some dinner she looked at us and said “y'all may be excused” haha this is just a taste of her sass. Anyone that knows her knows that she may have been sassy, but no matter who you were she would love you with open arms, even if she had just met you. My memories with you will forever be cherished ❤️ I love you Mimi

Hilda and I go way back to the 60's I met her and Jim when they lived in East Point and because we were all into horses ended up on Derrick Rd with horses,barns and land. We all grew up with the horses and had so many memories of that and after we got away from the horse life we remained so close. I will cherish her friendship forever. She was a sweet lady and I love her.

*Hilda was my boss at JC Penney in Perimeter Mall in 1987 I think. Her BFF Loretta Bruce was ALWAYS at her side. Her love for animals was a gift from God. She and Jim gifted me with a beautiful Spaniel Emma Lou and a Black Lab Belle. What a dear sweet Angel God has at his side. No doubt in charge of critters. Love you Hilda, and thank you.
