“ I grew up with Holly and the rest of the Harper clan! It was fun riding to school with Holly in her orange Volkswagen beetle, listening to Beach Boys on the way. I didn't stay in touch as we got older, but have very fond memories. My condolences to all the Harper family!

“ Holly touched so many lives with her humor and kindness. She could lay me out with laughter with one single sentence - a true steel magnolia. Holly deserved the spotlight 24/7, yet she often turned it to others and made everyone around her feel treasured. We will all miss our constant buddy and true-blue advocate. I wish much, much love and peace to all her friends and family, and sweet journeys to our Holly-girl. We love you.

“ I first met Holly in 1989 at The Omni Coliseum when she was working for SEATS, Inc. I know that I spent more time in her office than mine. She was the big sister I never had, as well, and we were friends until her last days. I've noticed that everyone in her sisterhood has had her in their lives for decades. She was a true, beautiful, and compassionate friend who never judged and always had a heart of gold. She will truly be missed by her family and friends. May angels sing thee to thy rest, sweet Holly.

“Holly was the big sister I never had. I met her when I was 22 at Turner and even after leaving, she remained a constant in my life. I will always remember her love for San Francisco, Todd Rundgren, the beach, animals and her family. She was such a caring, funny and non-judgmental soul — you could tell her anything and she would listen with compassion. I treasured her friendship and she will remain in my heart always. I will miss you my dear friend, Holly Wood. Much love and prayers to all she has touched. She was pure gold.

“I worked with Holly for years at Turner and she was the funniest, most adorable & genuine person. Loved every minute of knowing her. My heartfelt sympathy to all who will miss her but how fortunate we were to have had her in our lives. 🙏❤️🌸🙏

“Holly was one of the sweetest girls I had met in Clifftondale. Spent many times at her home. I was Rita Lacey then. I was so happy to see her on FB. Although, she wasn't a Facebooker. She was precious. So sorry for your loss. I graduated with Holly at Westwood.

“ *Holly was a sweet friend. We knew each other in High School. She was in my wedding in Sept 1974.*

Prayers for you family during this time of loss.
