“ *The Sisters of Mary and all the children of Girlstowns and Boystowns most especially in the Philippines, Korea, Mexico whom Hubie had visited will always remember his contaminating smile and cheerfulness, his humility, simplicity and dynamism. Whenever he was visiting us, he used to run and play with the children, crack jokes and share encouraging stories with everyone. His generosity for many years had helped a lot of poor especially the children at our villages. We cherish the happy moments we had with him and not only because he is the brother in law of our founder, Venerable Aloysius Schwartz, but also he is like our father, our brother and friend who really cares...he is also part of our big family, sure we will miss him but we believe he is now with God receiving the reward of a faithful disciple of our Lord having fulfilled his mission on earth with flying colors... May he rest in peace. Amen*
And to all the Herold family especially to Julie who had visited us with his Dad and Mom, we convey our deepest sympathy, we are one with you in prayers. Your Mom and Dad are closer to you now and watching you in every way.. Cheer up!

“ I will miss him and his sense of humor. He always had a quick come back. He was such an active guy, running in marathons all the time. He is up there with Pop, Grandpa and Grandma and the rest of the siblings all playing pitch and telling their stories. Prayers to everyone and sending love and hugs.
