“ David loved life. He loved his family even more. Brittany and Mandy - he loved you girls and talked about you all the time. Your dad called me several months ago - out of the blue, just to talk. He was that kind of person. Our prayers go out to all of the Barber family. He will be missed.

“ *Jay has known David longer than I have. They played sports together and always had a great time. I met him when I came to M D Collins in 8th grade. I learned quickly that David was a "jokester". I fell for some of those jokes from time to time! He also would get into a "little" trouble for his jokes from time to time, but his smile and charm would get him out as soon as he got in it! He was my bulldawg buddy. He checked on me from time to time when I had health problems and was so supportive of our bulldog breast cancer charity. David, you will be missed here on earth, but you are making everyone laugh in heaven!*

David was such a loving family man. I will always remember the wonderful times we had together so many years ago and I will miss his unexpected phone calls to wish me a happy birthday. My heart breaks for you all.*
