“ I being an East Point, Russell High, class of "47" schoolmate with Hugh from "grammer school" 6th grade on, as well as living in same vicinity, we became friends, and though it was for a relatively short few years, I was Blessed to know his demeanor and proud to call him "friend"! The photo shown here and all the glowing testimonies prove to all of us he went on to great accomplishments, had a Blessed life and changed very little in his appearance in all those years. Like so many of our class-mates his time ran out "early"? May I express my condolences to all the family and my congratulations to Hugh for a life well lived, Amen! We shall gather at the River! Until then, sleep on my brother!

“ Jackie, we have just been able to get beyond our computer problems and finally found this website. We miss Hugh and you and all the good times that we had together over the years; i.e., church activities, dominoes, card games, travels, golf, etc. Hugh was a really special person in our lives. We will always have great memories of the fun times we had throughout those twenty-eight(+/-) years here in Saint Augustine. As a deacon at Anastasia Baptist Church, Hugh was always a "hard-charger" in getting things done and he had the unique ability to recruit many volunteers to assist in working on the different committees he chaired. He loved to laugh and also to get others to laugh. He was and is truly a special friend and will be greatly missed.

Our Love, Best wishes and God's blessings to you, Lynn and all the family members.

Sincerely,

Darrell and Sarah Nell Smith

“ My brother Hugh and I worked together some years back at ABC on the grounds committee. Two years if my recollection is correct. We set up the sprinkler system at that time. I remember when I took the "bull by the horns" and dropped those two pine trees in the front. Hugh thought we'd have a "war" break out but we didn't. Hugh and I thought the pine needles falling down on the front entrance (the main one at that time) would have some dear soul fall down on those needles which were very slick when stepped on. Anyway, Hugh and I had a great time. Hugh was and is a great guy, he will be must missed, however just in the case of my dear wife who "went home" last December I am sure his dear bride wouldn't have him back in that pain.
Rest well my brother in the presence of the Lord Jesus Christ. You are now safe "at home".
Your friend in Christ,
Bob Williams

“ Earlene and I have so many great memories of Hugh so it is hard to pick one favorite.

We have a picture of him chowing down on shrimp at O'Steens in St. Augustine. Our memories include the many outings in Vero Beach. He is resting with Jesus.

“ Praying for God's peace for the Wright family.
I so enjoyed spending time with Mr Always Wright when I would stop in for a visit at their home in St Augustine. Our conversations were full of laughter and reminiscing. I missed him and Miss Jackie when they moved away but realized it was in their best interest. I praise God for allowing our paths to cross.

Hugh could tell a story like no other and keep you in stitches laughing at all his shenanigans!!! His laughter and smile were contagious and he will be deeply missed by our family. Lynn, I remember meeting your Dad, for the first time, many years ago in your home in Buford. He always was the optimist and had great stories to tell. I was blessed to spend time with him in St Augustine as well as with his church friends.

I know he will be very missed. He was your number one fan as your were his!

So very sorry, Janeen Irvin

Hugh Wright was one of the sweetest men I've ever known. He had a funny story to tell about every incident and he never knew a stranger. I used to love to make him laugh, and every time we got together, he'd say "come on down here and give me a hug" (I'm 5'10").

He sure did love his family, and especially his daughter Lynn.....those 2 were just alike! When they got together, you knew they'd be getting into some kind of trouble, and having a great time along the way!

Hugh will be missed by so many....Jackie, Lynn, his nephews (Justin and Alan), Jackie's family, Sue, members of his church and many many friends from His 88 years of life. He was such a special and good man, through and through. ❤️ May you Rest In Peace. Phoebe Allen
