“ Kay and family, It was my pleasure and an honor to get to know Charles. He was and always will be very precious to me. I pray that during this very difficult time the Lord will bless you with His peace that surpasses all understanding. You all did such a wonderful service to Charles with all your tender and loving care for him. If ever I can be of help to you, please feel free to call me. May the Lord's strength and love surround you now and in the days to come. Blessings, Linda Kinch Hospice RN
