“ Another birthday has past and I so wish we could have spent this time together. I still have many tear's and heartache and always's will. I'm doing my best to grant you, your wishes for your family to love each other and get along. I know that is what you would expect of me. It's been hard for all of us. Donald Trump is our new president as you wanted. I think he is also trying to do his best for this country, but with lot's of opposition. There is always's people who will not be happy in an election. I pray he does as much good for this U.S.A as he is can. We are in big trouble, with all the craziest that is going on here. So much evil. I can see you smiling and might be still frowning, but that's OK .I have your frown from time to time myself. I know you must be enjoying your piece of mind. What better person to be with that Our Lord and Savior, Jesus Christ. You lived on a hope and prayer and i do too. Thank you for what you instilled in me, It will always be appreciated. I could go on and on, but I continue later. You were loved and still are by many!!!! Love you and miss you, but I will be with you again and I am living for that moment.

“ Momma I miss you so, so much!! A big part of me is gone. I think of you when I lay my head down at night and when I first open my eyes in the morning! Lots of memories and signs of your love for me and others all day long. I have cherished all our time together unconditionally. I especially would give nothing for our time together these last months. We had a special bond and I love you always. Until we are together again. My angel is with me always!

“ My Aunt Darlene was one of the best . She was one of the most generous people on this earth. I don't know of anybody who showed love more than she did. She has left me with a childhood full of my most precious memories. She definitely has left a impression on my life. She was a fine example of how we should all be. This world was a much better place, because she was in it. She was too good for this evil place and God has taken her to a better place. Go rest high on that mountain Aunt Darlene Your work on earth is done and well done, God's good and faithful servant She's definitely in the presence of God tonight. I will forever remember her and her loving generous heart. Until we meet again , over on that golden shore. Aunt Darlene you were here on earth now in Heaven, a beautiful Angel.
