“ *There was no one like Mae. She was such a good friend to our family. Her sweet spirit and wonderful laughter warmed my heart. She was an amazing lady and I will remember her fondly. George and Doris Hostetter were our neighbors when we lived in Ohio and I thought it was so cool that they paved the way for us to meet Mae and Don when we moved to Georgia. I was a very blessed kid to have all of them in my life. Praying for all of you as adjust to this world without her. Rejoice in the knowledge we will see her again! Much love, Bobbie Diamond Ward*

“ Cheryl and Donald and families we are so so sorry to hear of the loss of your mom! She was always a special friend and neighbor during our time in the Hopeful community of Fayette County! Together she and I managed to get you and Marci Corbett through high school during those years even though you both gave us a run for our money those years! Your mom was a very special friend and even though we lost touch with each other over the years, does not mean we forgot about all of you! We thought of you often! May you be comforted in the days and years to come by all the beautiful memories you have of your mom and the special moments you all shared! We will have you in our prayers during this time!

Dear Cheryl, Jr., Leah, and Dale,
We were so sorry to hear of your mom's passing. She was a very special lady, and we were blessed to have known her and your dad. We met your mom through George and Doris Hostetter, who were our neighbors in Ohio. In 1980, when we moved to Fayetteville, Mae was so much help! John and Ray Koleck came down first. Mae helped them find an apartment, got their phone service set up, and cooked many meals for all of us. We have never forgotten her love and kindness. Our thoughts and prayers are with all of you during this difficult time. John and Sherry Diamond
