“ I just learned of the death of your mother. I am so sorry. It is a hard thing to go through, but you should be comforted in knowing that she touched so many lives. She was an excellent educator and a wonderful lady. I was in the class of '73 and there are many of us who are better people for having known her. God Bless you all in your time of sorrow.

“ Susan and Anita, I know you don't remember me, but your mother was my 8th grade history teacher at Campbell High School in 1953. I was so sorry to learn of her death. Please accept my deepest sympathy. I am a close friend of Janet Hardy, who was also a close friend to your mom. I will let her know about your mom's death. She still lives in Germany. “ I am so sorry to hear of the death of your mother. I was in her class in high school in the 8th grade and knew her throughout the rest of my years at Campbell. I graduated in 1964. Her poise, integrity and fairness is something that has always stayed in my mind. She was a beautiful person and I am a better person because of knowing her.

“ Susan and Anita,
I am so sorry to hear of your Mother's death. I was in your Mom's class at CHS class of 77. Your Mom was very dear to many. She was very kind, caring, thoughtful and took time to listen and help her students. We need more teachers like your Mom today. May it comfort you to know what a blessing your Mom was to many. God Bless you and keep you in His care.

“ Susan & Anita,
As a child I lived on East Broad Street not to far from your parents. I
can remember coming to see you both as newborn babies.

I had your mother as a teacher at CHS in the 8th grade. It made the
transition to high school better having a person I already knew for a
teacher. I am so sorry for your loss.

She was a wonderful person.

“ Mrs. Parrott was my teacher at Cedar Grove Elementary School in the fifties. Sometimes she would send me and a classmate to the store to buy M&M's for her.(can you imagine doing that today) Of course she would always share.

When I started eighth grade at Campbell High School, I was a skinny scared kid. I was so happy when I found out my home room teacher was Mrs. Parrott!

I feel honored to say I have been one of her students. I loved her dearly, and have thought about her often through the years.

I am so very sad to learn about her death. She was a great teacher and a wonderful person. She always had time for me and made me feel good about myself.

I will never forget my favorite teacher, Mrs. Lone Parrott.

You have my deepest sympathy. This world has lost someone special, and Heaven has a angel.

“ Susan and Anita,
It is with deep sadness that I write this...your Mom was 1 of the best teacher I ever had. She not only cared if you learned, but she cared about her students. You just don't see very much of that these days. Please except my deep sympathies on this great loss.

God Bless you both.

“ Mrs. Parrott was a wonderful educator, who took a special interest in each and every student she taught. Not only did I learn from books, while in class at Campbell High in 1980, but about life. Mrs. Parrott was a one-of-kind.

I owe alot of my career success to the kindness and teachings of Mrs. Parrott.

My thoughts and prayers are with her family during this time.

“ Mrs. Parrott was such a wonderful teacher. I remember going to Campbell in the eighth grade and she knew I was scared to death. She assured me, it would be okay and I would survive. She was such a kind, very understanding teacher that everyone loved. Our thoughts and prayers are with you Susan and Anita and your families.
