“ Beverly and Family,  
*I am just finding this obituary for Mr. Hunt. We want to send our condolences to the family. My daughters really loved your Mom and Dad. They have so many fun memories of them and we will always consider them like an extended part of our family. Mrs. Hunt would always get extra baking ingredients at Christmas because she knew I would forget something, stores would be closed but I could count on her to have what I needed. Her cakes and fried pies, delicious! Mr. Hunt would always help Don by cutting our grass with his riding mower when Don would have worked all night. He made us a beautiful swing we could sit in while the girls would play outside. He always shared his vegetable from his garden. They were the sweetest couple/ neighbors we could ever be blessed to have known. We are blessed to have so many beautiful memories and will cherish them always.  
Peace and love knowing they are together again.  
Don, Marilyn, Destiny and Hayla*
