“ I want to extend my regrets to the family. Take comfort in knowing that God cares and understands any feeling you may be going through. May the many loving memories strengthen you in the days to come.-Revelation 21:4, Isaiah 25:8.

“ To the Bentley family:

*I am very sorry about your loss. Losing a loved one is distressing because we naturally want to keep living happily with our family and friends. (Ecclesiastes 3:11) It is comforting to know that God cares about us and knows what it is like to lose a loved one. (1 Peter 5:7) Thankfully, God has promised to change conditions on earth and in humans so that very soon we will be able to enjoy life forever, without ever again having to experience sickness, pain, sadness, or death. (Romans 5:21; Revelation 21:3, 4) He has also provided a sure hope that we will be able to see our loved ones alive and well again. (John 5:28, 29)*

*May you have comfort and peace during this difficult time.*
