“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ This was taken last year during the 4th of July. My mother loved the beach and she loved her children and grandchildren. She was the light in so many times of darkness and the kind voice of comfort in the times of anxiety. I will miss my mother deeply, but know that she is in heaven with my Father and Sister. May god give us all the grace and the patience that my mother possessed in her life In this difficult time of her loss! Love you Mom!
