“ *To be absent from the body is to be present with the Lord. Jackie touched the lives of so many people. Having been my supervisor and later being my office colleague, Jackie was not only a mentor but also a friend. She will be missed by so many people. Find comfort in knowing Jackie touched many lives in a way that changed lives. She was simply "GOLDEN."*

“ For the Owen's family, the bond you shared with your Mother/Wife doesn't end with death. The lessons you've learned, the memories you've shared, and the love you all had for each other lives on. Through all the years to come, your Mom/Wife will be there by your side whenever you share a story about times you all spent together & may that thought bring you all comfort, peace and joy. Remember, Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near. Still loved, still missed and very dear. When someone you love becomes a memory, the memory becomes a treasure.

Isaiah 41:10 “So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”

God's richest blessings upon you all.....Mallini Charles

“ Everyone who knew Jackie, loved Jackie. I had the pleasure of working with Jackie for many years when she was an IFS supervisor. She was respected by those she worked with because she was a true professional, and had an understanding and loving heart. She really made a difference in everything she did.

She will be greatly missed...and never forgotten by all those her beautiful life touched. God bless you all in this loss. We'll always have her in our hearts!

Sincerely,
