

## Jacquelyn "Jackie" S. Toler

August 10, 1933 - April 17, 2018

Jacquelyn "Jackie" S. Toler passed away on April 17, 2018 at the age of 84. She was born in East Point Georgia on August 10, 1933 to Mr. and Mrs. Euchee Harp Skinner. Following high school at Russell High, she attended Georgia State University and received a bachelor's degree in English with honors. During her college years, she met a self-assured young medical student, Earle Toler, who she later married. She was happily married to Dr. Earle Q. Toler for nearly 60 years, until his passing in 2012. Jackie lived her entire life in East Point, a fulfilling life marked by family and faith. She attended Berachah Bible Church in Jonesboro throughout most of her adult life; in her later years, she attended First Baptist Church in East Point. During the 1950s and 1960s, Jackie studied voice under the tutelage of Gertrude McFarland, developing a beautiful soprano voice. For more than 30 years, she sang in operas, plays and weddings. Throughout her entire life, she sought to impart a positive influence on those she met - kind words, selfless acts, wise counsel, and a caring touch. She is survived by her daughter and son-in-law, Kathy and Alfred J. Mote of Jasper, Georgia; her son and daughter-in-law, Steven and Jan Toler of Houston, Texas; and her grandson, Wesley Toler of Raleigh, North Carolina; as well as a numerous adoring nieces and nephews from Florida, Georgia and Idaho. Jackie was recognized as the matriarch of both the Toler and Skinner families. Her beautiful smile, wisdom, and positive influence will surely be missed ...until united once again, as promised. Funeral services will be held Thursday, April 19, 2018 at 11 o'clock in the

Chapel of Parrott Funeral Home with Dr. J.W. Wallis officiating. Interment will follow at Westview Cemetery. “For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast.”

“ I would like to offer my condolences to the whole family of Jackie Skinner Toler. I am sorry i never got to meet any of you. I know you all are very nice and good people because I knew Jackie back in the late 40's and early 50's. She was my sweetheart and the one beautiful girl I thought i would someday marry. We dated a year or two before I joined the Marines and served in Korea, and I never got the nerve up to kiss her because she was such a beautiful person and in my mind i thought if I did she break and i would loose her, but I never did and she didn't break and I later come to realize God had other plans for us both. Thank God I did NOT defile her, so God blessed me later by bringing the girl He had planed for me to meet and marry. After serving 4 years in the Marines, God's plan began to unfold. Alice Meier had set her mind on marrying me even before I knew she existed. She told me about it a good while after we met and were married a few years. She told me that she would see me coming down the halls of Russell high School and stared at me to make me look at her, but that I was so stuck up I wouldn't even look at her. I told her I was just too bashful to even think about meeting a girl. It was then that I told her the story of my dating Jackie and never kissing her. My name in school was Jackie King, I am now Jack king and if any of you want to contact me on Facebook That is my name. My profile pic is a mandarin orange candle at the present time. I Pray God blesses you all.

“ Jackie will always be a kind and wonderful memory to me. She prayed with me during hard times in my life with encouragement and love always teaching me the Lord's way. I will always cherish the index cards on which she wrote Bible verses to help me. May you be comforted during this time. I am so sorry I will not be able to be with you,

May the Lord's presence comfort you,
