“ When I was 6 (1950) I left my mom a note one day that I was going to see Miss "Unis" to get a peanut butter sandwich. Well Miss "Unis" took good care of me but my mom never let me forget my spelling error. Every few years she would remind me of it and she always got a good laugh about it. Even in her last year she reminded me of it one day. Thank you Miss "Unis" just in case I didn't say it in 1950. In about 1960 Mr. James had a Corvette and he had built a go-cart with an 8 horsepower Mall Chainsaw motor on it and he wanted to know how fast it was. So I got on it and he got in his Corvette and he followed me up to Goodes Store and back. (It ran 60 MPH). Thank you Miss Eunice and Mr. James for these and many other memories.

The Russell High School Class of 1948, extends to your family our heartfelt sympathy in the tragic loss of Eunice and James to the dread Covid-19. It has taken a terrible toll on our friends and families and only seems to worsen.

I last talked with Eunice on October 2, 2020, while checking on our classmates. We always had lots to talk about and she shared that she and James had been married 72 years and had always lived in the same house, indeed that was quite a record.

I had started checking our class list again in early September 2021, and had Eunice on my list to call the last of the month. When Jim Campbell called on September 10, 2021 and again on September 13, 2021, to tell me of their deaths, I was shocked and deeply saddened.

I regret not being with you for their services but the weather was a bit threatening and with the Covid spreading and my 90 years of age controlling a lot of my activities, it was not wise for me to come.

I am grateful for the fond memories of Eunice and James from our times together, through the years, at Russell High School Class Reunions, these are special.

In this time of deep sorrow, may God's Love and Mercy comfort and abide with you as you face life without them.

*Sincerely,
Jean Ann Sewell Hartley
