“ *I am so sad, and happy at the same time. I am so sad because I love you so much, and I just wish I could have spent more time with you. But, on the other hand I am happy that you finally got what you wanted. I know since Mom passed you were never the same. But, now I know you are grinning ear to ear because you are with the love of your life. I know this is not goodbye, but see ya later. But it still hurts like Hell to see you go. I love you, thank you for everything. ❤️*

“ Thank you for being a great Dad. Your hard work, dedication and strength made us who we are. You and Mom sacrificed so much for us. Please know, it was never unappreciated. You were my hero and I pray that I will continue my days to make you proud. Please hug Mom, I know you're so happy to be with her finally. Tell Nannie and PawPaw I miss them so much and I love them. And Dad, I love you too. Jean
