“ Jim was in my Crew Scheduling programming group at Delta during the late 80's/early 90's. I have such great memories of 'Bucky' as we called him. He did more adventurous things than all the younger people in the group combined. I used to tell him he was my hero because of the way he did so many things and went so many places. In the late 80's and early 90's he climbed Mt. Rainier, went to communist China, climbed Mt. McKinley, stood right next to the hot, hot lava on the Big Island of Hawaii just to name a few. I know they are having some fun with him in heaven. So sorry to hear he has passed on.

“ Aunt Rose, Mike, Teresa, Crystal, Stephen,
I am so sorry to hear about Uncle James. Please know how fortunate you are to have had such a dedicated and loving Husband and Father in Uncle James. He will always be remembered for his strong sense of family and his boyish smile. I know he was close to his brother Ralph, my Dad. I will never forget how he and Rose were there for my Mom Floya when Daddy passed, and they were there for us kids when Momma passed. I pray for peace, comfort and strength for your family. Please know how many lives he touched, how much he will be missed, and how grateful we will always be for his gentle kindness. Please know we love you all and my thoughts are with you during this difficult time.

“ *I've been out of the table tennis community for a while, but if I ever return it will not be the same without James. No one ever told me he was a Christian until I read this Guestbook. No one ever had to. He had a peaceful and loving spirit. Always a smile to greet you and never a word spoken in anger. I won't miss his nasty side-spin serve, but I'll miss him dearly.*

“ *James Buckner lived a life that positively influenced everyone who met him. I met James in the Delta table tennis tournament in 1987. Over the years, I had the pleasure of having James as a doubles partner and the fear of playing against him in singles. He had the knack of hitting the ball where he was not looking which usually resulted in points for him. James leaves a distinctly Christian legacy which all of us would do well to emulate. Only God knows the eternal benefits James Buckner accrued,*

“ *James was the first person to befriend me at the Delta Air Lines tennis tournament in Florida so very many years ago. He took me under his "wing" and introduced me around - James was so well respected by the entire community of tennis players that I was accepted into the fold without question.
I have so many happy times and memories of James. I love you and will always remember you!!!!*

“ I have known James since 1970, when I joined Delta Air Lines and attended my first Delta Table Tennis Tournament. Over the years we were doubles partners on many occasions and had several trophies to our credit. I feel honored to have known him and call him friend. He was "old school" on many subjects but was always relevant in today's world. My prayers go out to Rose and the rest of his family.

“ So sorry to hear about James' passing. We will all miss him so much. He loved playing table tennis and he was always a tough competitor in every match. The players and his competitors will miss him as a true gentleman of our sport.
