“ *A candle is lit for you, Eddie. May it shine as brightly as you did while on earth. Now you are healed and resting in the arms of our Lord, Jesus. As Tony would say to you, "Let's put this puppy to bed" I can picture Jesus smiling as you explain that to Him. Your friendship has been pure love for Tony and me. Thank you.*

“ *I will always remember all the things Uncle Eddie and Aunt Sara Lynn did for me and my brother and sister when we was growing up. He took us for our first trip to six flags and to judgement journey, and when me and mom went to visit him last Sunday we sat and laughed and talked about all the good memories we had together. I love you Uncle Eddie until we meet again. I know you are pain free and no longer suffering on earth.*
