“ Clyde was my friend at Kindred Nursing Home. He was interested in computers and had planned on getting his own. I called him Major Friendly (a play on his last name and the way he was with everyone he met). He missed his wife and talked about her all the time.

“ Holle,  
*I attended LHS with your Dad. I will always remember his sense of humor plus the wonderful parties he and your Mother gave for classmates at there home in Peachtree City. Your Mother made the most wonderful ice cream. I know you miss them both very much. May God keep you in his love and care.*
