“ *Shirley, Mark, and Stanley's family. It was a surreal moment to read Stanley's obituary tonight. I remember the first time I laid eyes on him, on a Sunday afternoon in the DQ parking lot. I know exactly where he was standing. Although we were too young to know how to make our marriage work for more than a few years, he and your family will always be a special and very fond part of me. My heart is with you as you grieve his memory. Love and hugs to all of you.*
