“ Horace was a good friend to our family. He was one of my Dad's dearest friends. He and my Dad and brothers and his son Randy loved to go fishing. He would work on our house on Friday nights after he got off his regular job. He always made one request that he wanted. Horace loved Krystal hamburgers and Dad would go get them for him. My Dad can't talk very well anymore because he has Dementia. I know for a fact that he loved this man. He was the sweetest man and hardest working person. He always had a smile and little laugh. We are going to miss him. Our prayers and sympathy for Sarah, Brenda, Randy, Gina and all the family. We'll all meet again someday. Heaven has gained a wonderful man.

“ Brother Horace was a true man of God, Beautiful smile, beautiful family. He will be missed so much. Sister Hayes I can't even imagine how it would feel to be separated from my husband, especially after 68 yrs. Such a sad time. Take comfort in knowing because of Jesus and the cross this is just a temporary separation. You and the family will be in my prayers

“ *Horace Hayes was so much more than just an Uncle to me, at times he seem to be like a second Dad to me. A great Friend and at times even my boss at work. One of my favorite memories is when He and I played on the Church Softball team together, I and most of the team were so much younger than him, but as usual Uncle Horace gave his best as he did each day of his life with anything he did. My Uncle Horace and Aunt Sara both means the world to me, and I pray for my aunt and my Cousins at this sad time, Yet we all know he's in God's Kingdom now and we are giving Thanks to God, his Son Jesus for all their love and Glory, Go rest high on that Mountain Uncle Horace :)*

“ *Horace was a special person with a sense of humor. I loved him and Sarah from the first time we met. Sarah, can you imagine the reunion he has had today in heaven? He is whole now. We shall meet again in the not too distant future. God bless the family in their time of grief. Memories shared is what keeps our loved ones close. Wonder if there will be a need for a carpenter and brick man for heavenly churches?*
