“ Sorry to hear of your loss ... I can remember back in snowjam '82 when I got stranded over there on Riverdale Road and walked about a mile to y'all's house ... When Mr. Jackson got home from work at midnight, he walked with me to get my car and drove it back to y'all's house where it would be safe until the next morning ... Y'all will always hold a special place in this girl's heart!

Love,

“ James and Katherine was true example of love. He called 3 of us Girls from the old Riverdale neighborhood the Hee Haw Honeys because of our silly ways, but we loved it. He is a honorable Man who I will always be grateful to have known. You just don't find people like him any more that showed honor and pride in all he did. We will miss you.
