“ Brenda, there are not enough words to say how very much Mac and I will miss our dear, sweet friend. Lots of good memories made with you two. What a wonderful fun and caring person who loved the Lord and his church. Our church will never be the same without his presence. It is comforting to know we will see him again one day. Please know we are here for you if there is anything we can help you with. Just know we love and care for you.

“ Brenda, there are not any words that can convey my feelings right now. But I think that you know how much I truly love and appreciate you and Jimmy. You have just been there for me no matter what I needed and I just want you to know that it is my time to be there for you. You are in my thoughts and prayers and You can call on me anytime day or night. But the most important thought for you is that our Lord and Savior has been and will continue to be there with you and will supply your every need.
