“ I was so suprised tonight at our 50th class reunion to hear that Jimmy had passed away! We all remembered him fondly at the reunion. Jimmy (and the family) were neighbors of our's and I can't remember not knowing him. We had some good times growing up. Ms. Willene and Brenda, you have my deepest sympathies and please know that you are in our prayers. God bless you.

“ Jimmy Hart was truly one of the kindest, most caring and thoughtful people I've ever had the privilege of knowing. I'm so sad that he has passed away, but I know that he is now happy and healthy again. May God bless his family and be with them in this time of sorrow. Bless you, Jimmy Hart. Sincerely, Nina H. “ I'm very sad to hear of the passing of my buddy Jim. We worked together for almost twenty years and stayed in contact occasionally since then. He was a kind and generous soul who always made me laugh. I will hold on to our last text message and the jokes he sent me. My condolences to all of Jim's family and friends. R.I.P. Buddy.

“ Our bank of knowledge & originator of constant humor. Jim always had time to share a moment, lend a hand, offer an empathetic ear and/or advice (or lighten things up with a joke). Your strength of character has been of immense influence. Certainly for myself and those of us who had the privilege to know you – you will be missed

“ My friend Jimmy, I can't remember a time in my life when I did not know you. When we were kids in our minds we thought we were more notorious than Tom Sawyer and Huck Finn. We survived our childhood with the help of your farther as our Boy Scout leader. As adults we had a lot more adventures together, you were the best man at my wedding, you were there when my kids were born, for anniversaries, birthdays and vacations. We hunted and fished all the land, oceans and streams we could find. I would not have missed being with you in your last days on earth. May you walk with God and your Dad, and I'll catch you on the other side. ( like I told you in 30 or 40 years, made you laugh didn't I )

Your Best Friend

“ *I-285 had just opened and Jimmy had just bought a brand new Camarillo. He called me up and ask if I wanted to go for a ride in his new car and he said let's ride around the new perimeter highway, so I said sure. We headed east and marked the mileage when we hit 285 at Old National and got all the way around to I-20 west where he stopped and picked up a hitchhiker,!in those days it was safe, the guy said he was headed to Macon and Jimmy looked at me and I said, "your driving", and Jimmy turned to the guy and said I'm going to take you to Macon. We laughed about that day in the years to come, but that pretty much tells you what kind person Jimmy was. A kind hearted man. Mike Wilkins*
