“Heaven must have needed another doubly sweet soul. I along with many other souls here on earth wish we had more time with Jimmy. I am very sad not to be able to see him at Church where he was so friendly and kind. He lives on in our hearts. I am praying for the Standifer family and Jimmy's sweet lady, Michelle.

“Jimmy's Dad and I are first cousins. I've know Jimmy since day one, but haven't really kept up with him the past few years. I was absolutely stunned when Billy let me know he had passed away. I always remember Jimmy being so gracious and helpful, especially to his parents. I'm so thankful to know he knew Jesus as his Lord and Savior. We have the promise we'll meet again. My love to Billy, Sue and his four beautiful daughters. May our Lord speak blessings of comfort and peace to your hearts. With love and prayers, Pat Earnest

“I didn't get to know Jim long enough or see him often enough but I knew from my first meeting he was a good Godly man who loved his daughters and would do anything for them! Losing him like this is tragic for all who knew and loved him!! But we know even though he would not want to leave his family this soon he is definitely pain free in a better place!

“ *We have such great memories of Jim! I'll never forget going to Stevie B's to eat pizza with Jim and the girls. That was an experience. Jim was very entertaining to watch how many pizzas he could eat and then finish it off with an ice cream cone. Great memories of going to Six Flags. Skylar was little at the time and couldn't pronounce Six Flags correctly. Jim could say it just like Skylar and we laughed for years about that. Chuckie Cheese birthday party for one of the girls...even Jim's Grandmothers were there. He made sure that all the kids had plenty of tokens and we were there forever!!! Going to the rodeo in Franklin to watch Savannah and Sabrina. I also won't forget that when he learned my mom had passed away a few years ago, he didn't know about it until a few months had passed. He came by the house to apologize for not knowing and to be sure there wasn't anything I needed. Jim would just show up at our house, usually on a Saturday morning after he had been out running errands and would sit and talk for hours. Sometimes Jim would call David out of the blue with a plan for something he and Jim needed to work on or something they should try doing. These visits/phone calls always included talking about his girls and his parents. His family was his greatest joy and he loved you all very much!!! I pray that God gives you all strength, comfort and peace in the days ahead and wonderful memories fill your hearts.*

We love you all! Jeana, David, Blake and Brooke.

“ Hi, I am Mrs. Marion Mills, I work with Summer. I am glad we got a chance to talk about her salvation and faith in God. Knowing this, comforts me in knowing that she knows the healing power of God for their hearts. I know the memories will make you smile and cry, but hopefully they also help heal.

“ *Over the last 8 years I have known Jimmy Standifer through our family car business. I have never met someone more enthusiastic, joyfull, energetic, positive, and helpful as Jimmy was. His passing away has left an enormous emptiness in the hearts of everyone who worked there. His presence at the carlot was huge. He was one of our favorite customers. He would come visit us 3-4 days a week. 72hrs wouldn't pass by without us not seeing him. He loved his daughters, his work, and his farm. He was genuine. He was helpful. He would drive cars back for us from Atlanta on the weekends and never took his pay. We would stock pile it for him for years. We would finally apply it to whatever he bought, but only after his shrude negotiations. Just two days before his passing away, he was out there helping clean up our detail guy's work area and clearing away old left over parts. We loved him and we loved his presence. The more we knew him the more we loved him. He will be greatly missed.*

“ I never met Jimmy but I met two of his daughters , Summer and Savannah. I was very impressed by their love for God. Summer told me a little about her dad and I felt like he was a great man and father because of the kindness of how his daughters treated me.I will be praying for the family,friends,coworkers etc...that they will have peace that passes all understanding.

“ Through the years I remember Jimmy Jim for donating his time & his horses for our weekday preschool children at New Hope Baptist Church in Fayetteville a time or two & fondly think of him helping to make it easier for one of my own to get up the little steps to the horse by picking him up onto the saddle. He must've loved his horses, little kids & life! He loved serving. He had a gift & could talk to anyone...he never knew a stranger! I also remember seeing him often through the years at Delta when I worked bag transfer & him on the ramp. We would cross paths on the bus & in the parking lots & he would always speak a kind word or two in passing if we didn't have the time for longer conversation. I'm glad of the short times I had in knowing him & enjoyed the times we did talk. Always wish it could've been more. What a great all around guy he was! Glad he knew the Lord as his Savior to reassure I'll get to see him again fir eternity in Heaven! Rest In Peace my Brother! Gods Speed!
