“ I know you knew I loved you but I hope you knew how much and how important you were to me. You were more than a little brother to me you were my best friend partner in crime and go to for anything person..to say I'm gonna miss you is a understatement. I already miss you more than words can describe..you were the best... God doesn't make them like you anymore and I'm very grateful I was chosen to be your big sister. I love you forever and always Jimmy 💔

Backstreet I haven't thought about that nickname of his forever brought a smile to my face for the first time in a while. There's a story behind the nickname and it fits.
